

### About the Book

Tommy, a boy who is mad with football playing, is an amazing goal keeper in School Team .He loves his grandpa, but he wishes his grandpa didn't come to watch him play in the school football match because the grandpa turned up wearing his old team kit, which would be quite embarrassing. However, he changes his mind when one of the teammates is hurt by accident. His grandpa takes his part and played so wonderfully that he has scored a free kick. Finally Tommy's football team wins the match by 2-1. From then on, Tommy begins to get to know more about his grandpa.

### My Comments

This winter holiday I read "Pass the Ball",which was written by Debbie White.

I appreciate Tommy's grandpa a lot because he kicked football very skillfully. He volunteered to take part in the match when in terrible need.During the match, it seemed that he was an energetic boy. Soon he kicked the ball over one defender's head,and the ball flew straight into the top right-hand corner of the goal. Because of the super goal, he helped his grandson's group to defeat the rivals.

All in all, I think this book is fun, and it not only has some great words for me to learn, but also teaches me a lesson "Don't judge a man just by his appearance or age."
