

My summer vacation

BY HIRAM

After final test , I've got LEGO toy from Mum and Dad.

We go to the beach with Dad and Mom's friend.

We dig a hole and fill it with water.

We sail out before sunset.

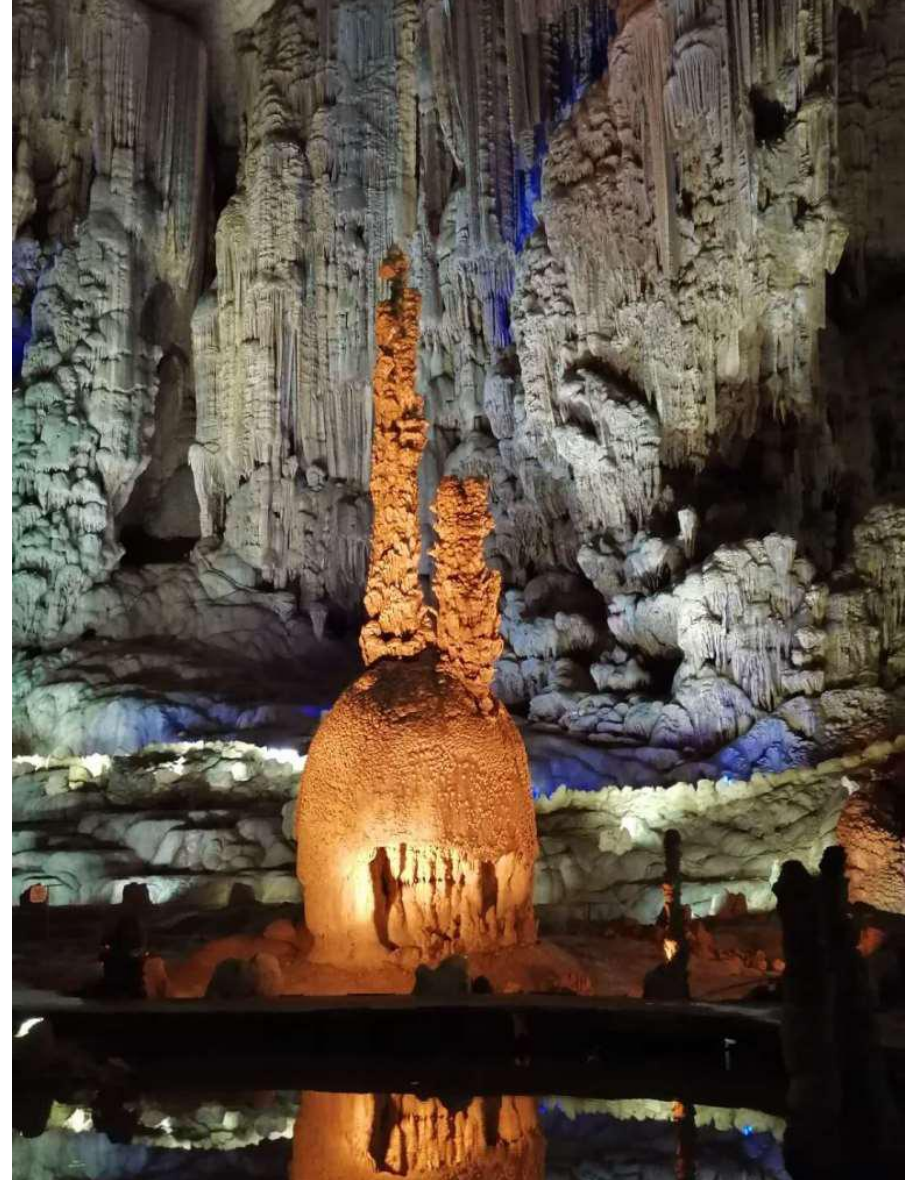

We go back Mom and Dad's hometown and visit the Huangquoshu water fall. It's so beautiful there.

There is the story
Journey to the
West happened
here.

We go to Zhijin Cave. There are many stalactites in it. Some of them are shining.
