

WHY DO THEY HAVE THESE COATS

二年级（3）班 董彦齐（ALAN） 7号

- When it rains, we put on a raincoat to protect ourselves.

- Animals have coats to protect themselves, too.

- Who has a coat made of feathers?

ducks

- Why do ducks have feathers coats?

The feathers coats keep the ducks floating on the water.

- Who has a coat made of fur?

bears

- Why do bears have fur coats?

The fur coats keep the bears feeling warm.

- Who has a coat made of shell?

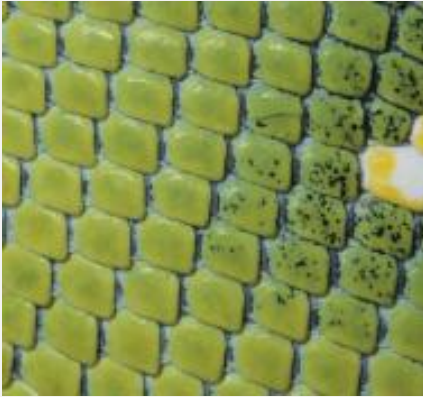

tortoises

- Why do tortoises have shell coats?

The shell coats protect the tortoises from outside attack.

- Who has a coat made of scales?

snakes

- Why do snakes have scales coats?

The scales coats keep the water in the body.

THANK YOU!
