One day, the frog suddenly wanted to
live in another place, not the bottom of
the pond.

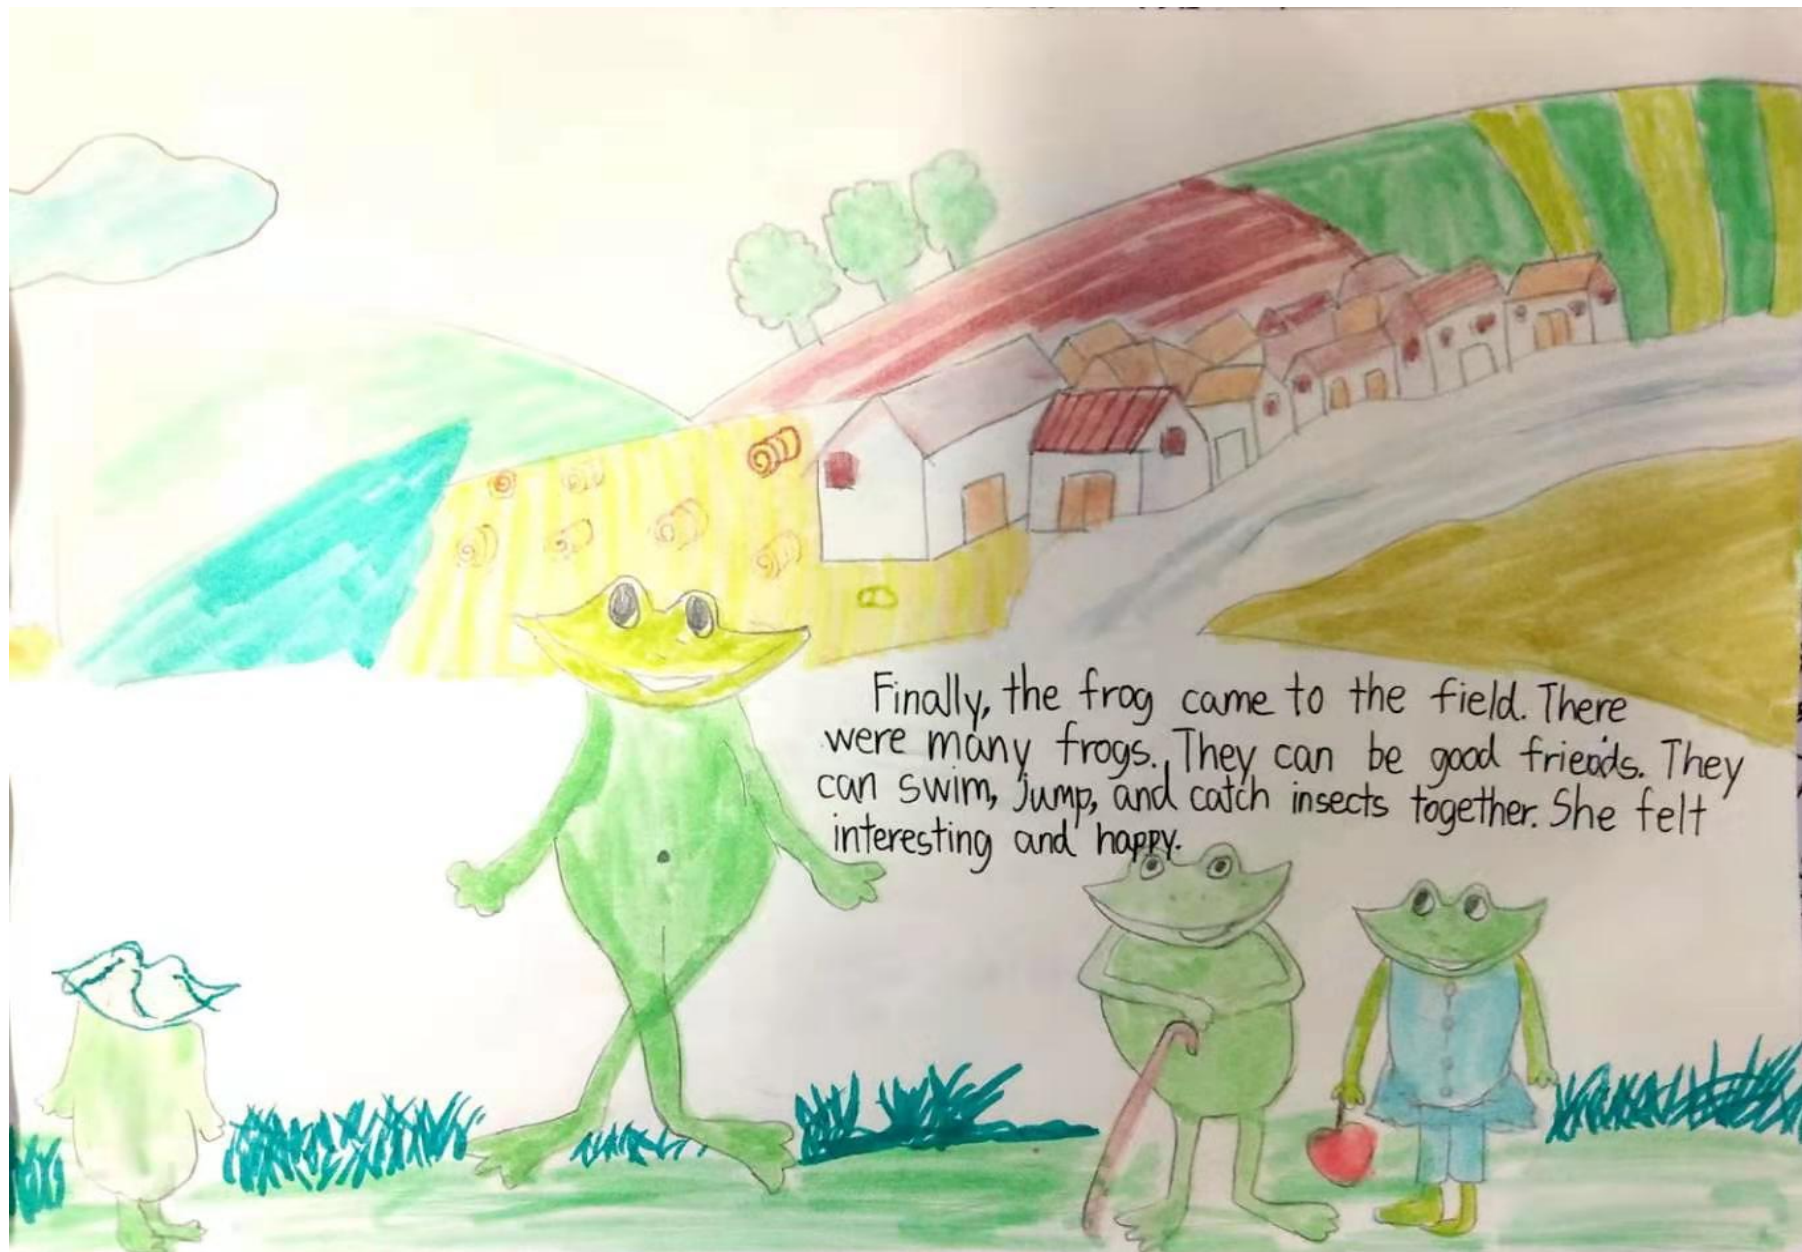

The frog went into the forest. But
there were many wild animals.
She didn't like.

The frog ~~w~~ came to the desert.
But there was not ~~w~~ any water
and plants. She didn't like.

The frog came to the city. But there were tall buildings, cars and people everywhere. She didn't like.

Finally, the frog came to the field. There were many frogs. They can be good friends. They can swim, jump, and catch insects together. She felt interesting and happy.
