Here is a cute
hedgehog.

Is this a ball?

NO!

If hedgehogs are scared,
they will curl up in
a ball.

This is a baby
hedgehog.

I wish I could have one
for a pet.

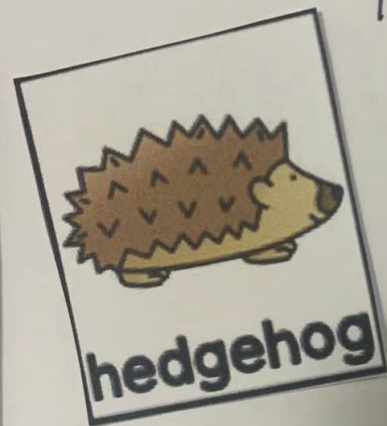

Hedgehogs will sleep
all the winter.

It's ~~call~~ called
hibernation.

Other animals
also hibernate.

Where do
they sleep?

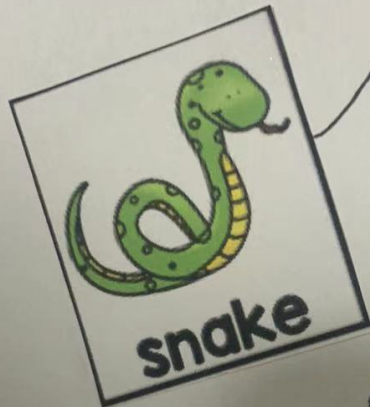

↑
under
the leaves.

In the
cave.
↓

both in the
burrow.

snake

groundhog

bat

In their
underground
chambers.

In a
dark
cave.
