Candy and her family are travelling in Sanya. They stay at a hotel near the zoo. Candy and her dad go to the zoo. Candy loves to go to the Zoo.

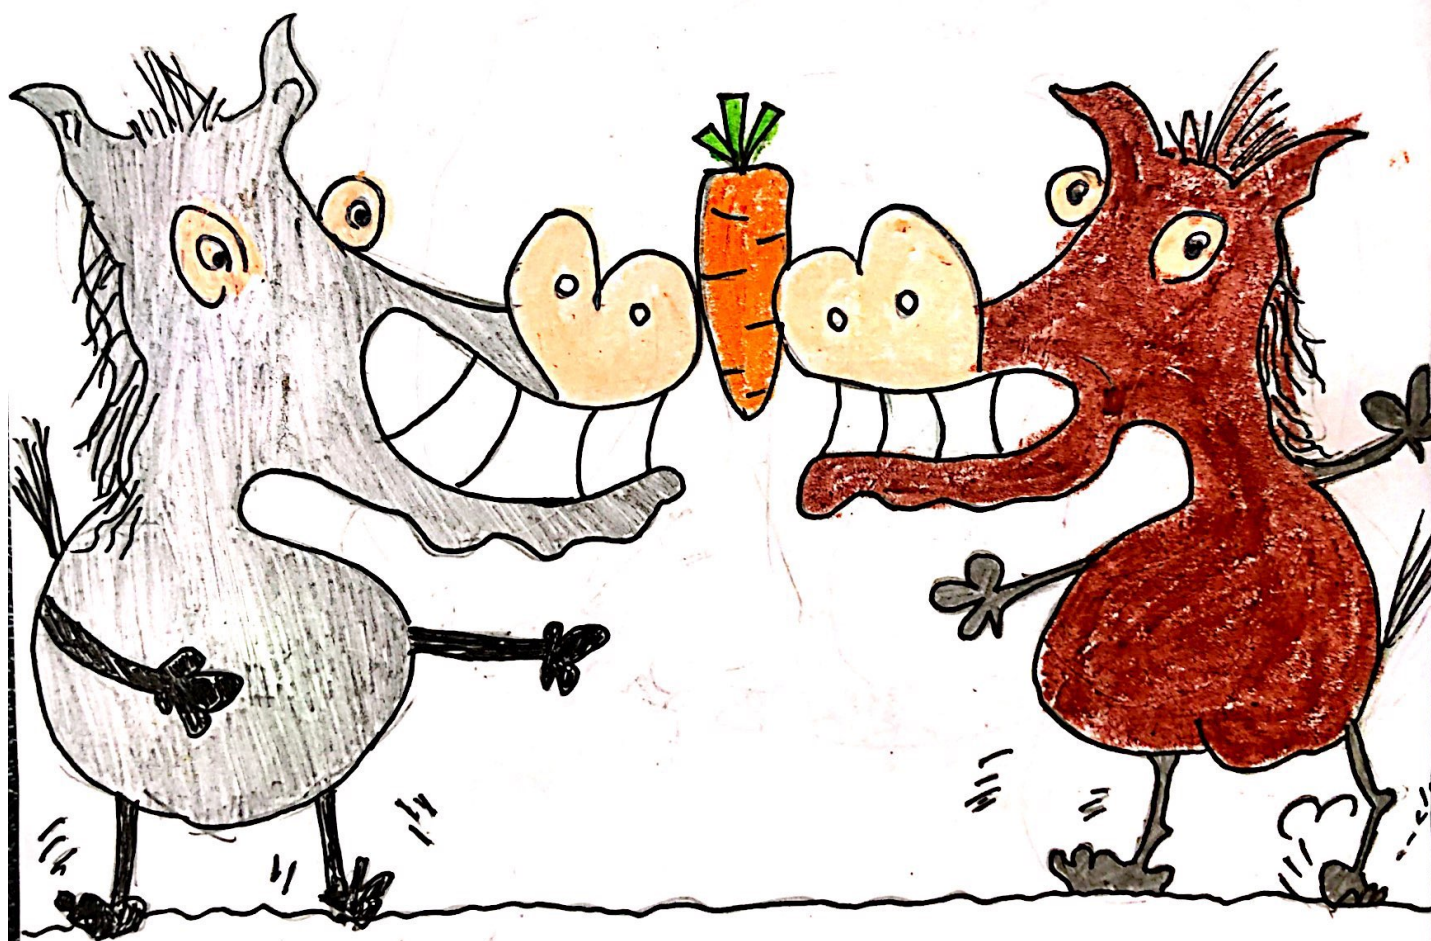

There are elephants, monkeys, zebras, ostriches, ponies, tigers in the zoo. Candy likes elephants. They have long noses and big ears. She thinks they are funny.

PONY

Candy feeds ponies with carrots. Two ponies fight for the carrots.

Candy also likes monkeys and zebras.

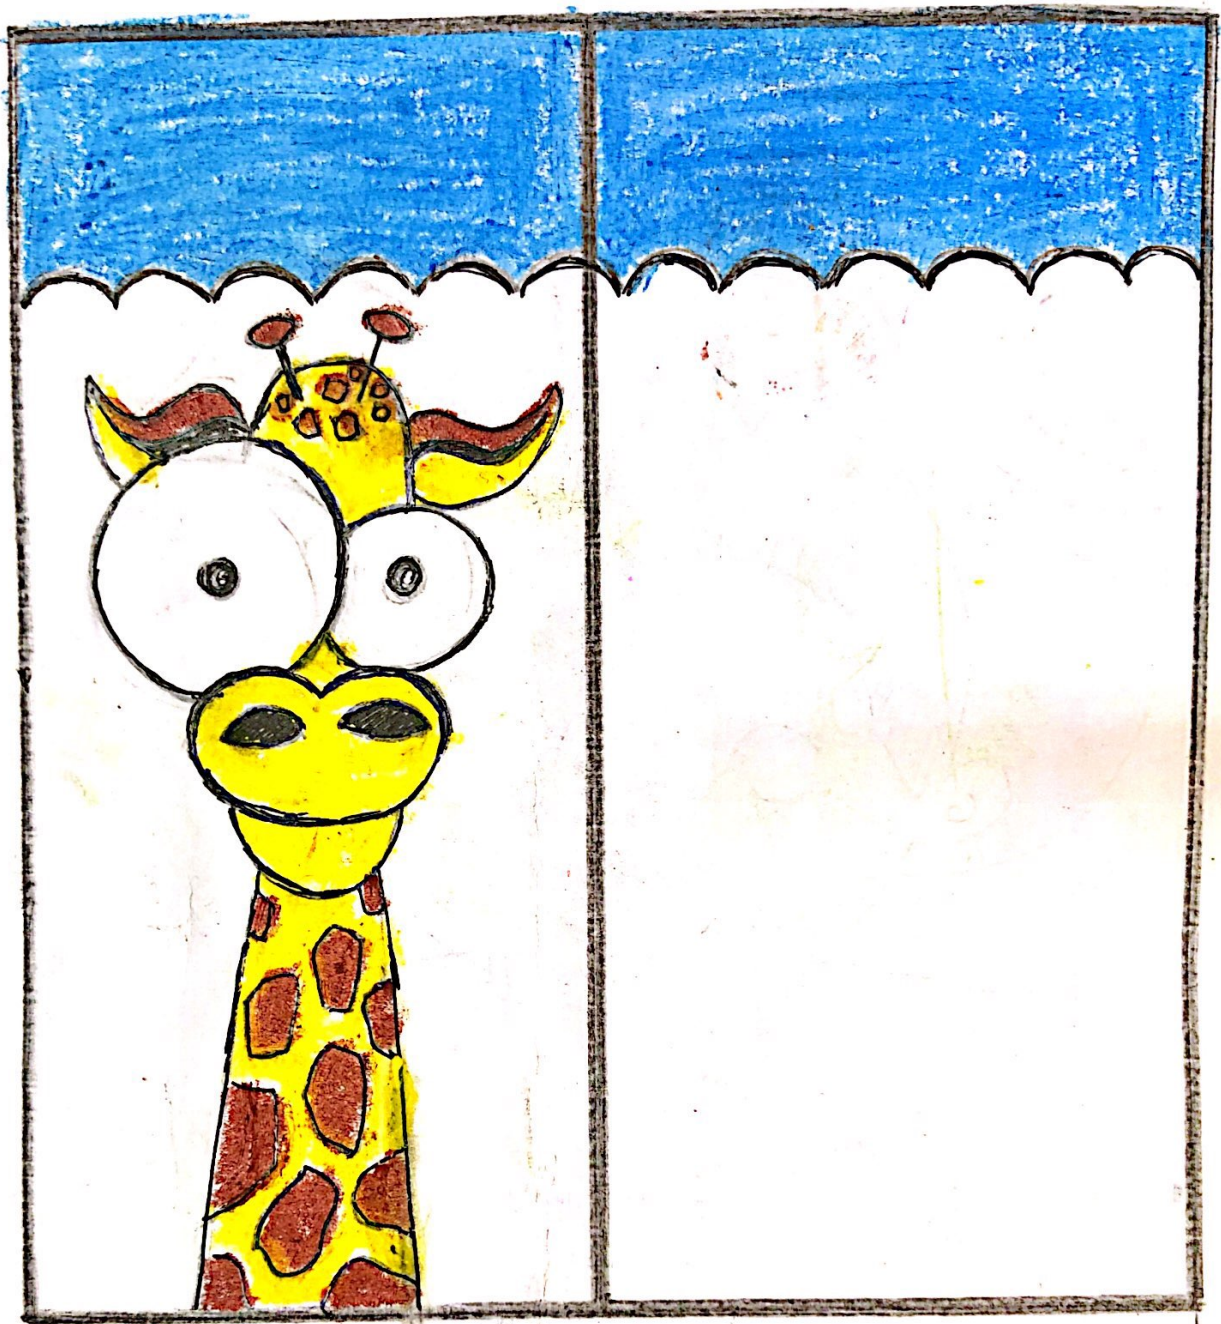

Candy has never seen a real tiger. "Monsters with ~~oragon~~ orange and black stripes! Help!", Candy shouts when she sees the tiger. Dad says, "That's not a monster. That's a tiger." Candy has a lot of fun at the zoo

In the evening, Candy and her Dad go back to the hotel and have a good sleep.

The next day, Candy's Mum says, "Wake up, Candy!" And Mum opens the curtain. There is a giraffe looking inside! Candy is surprised. Mum smiles, "The zoo is near our hotel room!"
