

What if we have magic?

We can get to the classroom in a second during a specialist class.

What if we have magic?

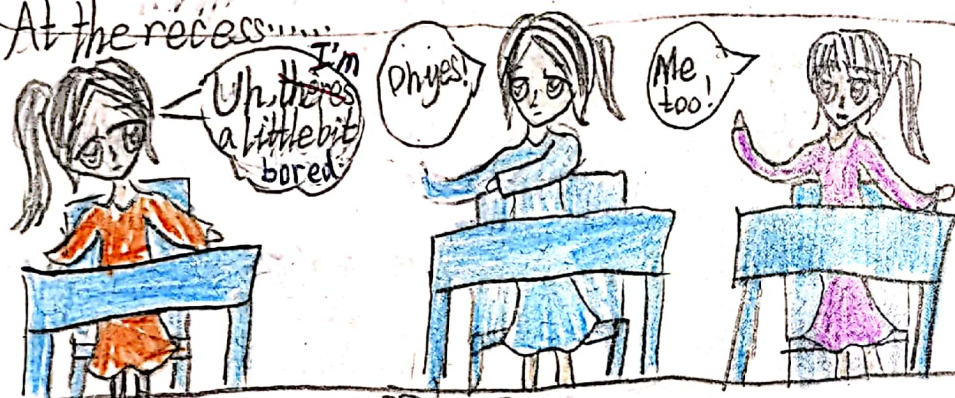

We can turn a bad lunch meal into something delicious.

What if we have magic?

We can conjure up somethings to play
with.

At the recess.....

What if we have magic?

We can change the weather!

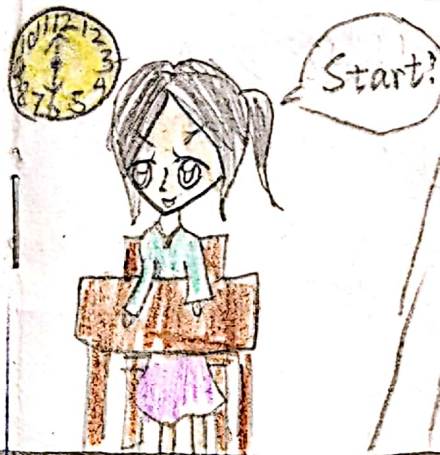

What if we have magic?

We can conjure up something to study.

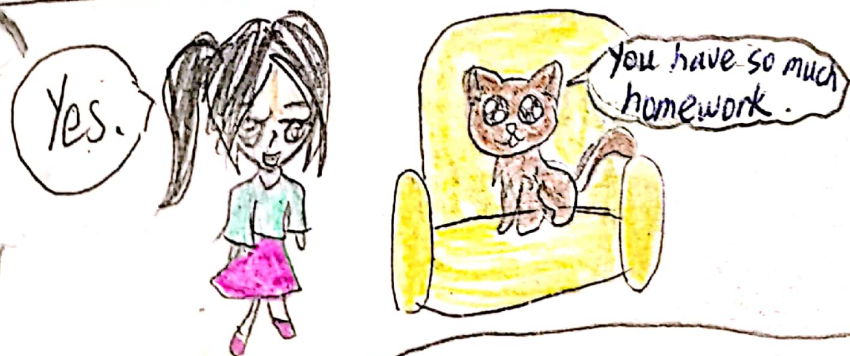

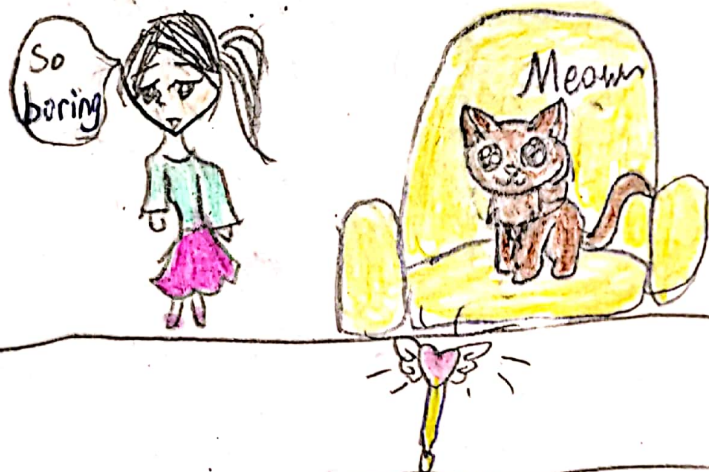

What if we have magic?

We can do the homework very fast!

What if we have magic?

We can make the pet speak!

What if we have magic?

We can slide on the rainbow during the spring outing.

Magic is great!

But

It's not true!

Match!
