Interesting Parts

Dumbledore said quietly : “It shows us nothing more or less than the deepest, most desperate desire of our hearts. You, who have never known your family, see them standing around you. Ronald Weasley, who has always been overshadowed by his brothers, sees himself standing alone, the best of them. However, this mirror shows neither knowledge or truth. **Men have wasted away before it, entranced by what they have seen, or been driven mad, not knowing if what it shows is real or even possible” .**

Interesting Parts

“The mirror will be move to a new a home tomorrow, Harry, and I ask you not to go looking for it. If you ever do run across it, you will now be prepared. **It does not do to dwell on dreams and forget to live**, remember that. Now why don’t you put that admirable cloak back on and get off to bed?”
