The background features a light cream color with a subtle, repeating pattern of small, stylized flowers in shades of pink, orange, and green. Overlaid on the left side are larger, more detailed floral illustrations, including green leaves and orange-blossomed branches. A solid green horizontal bar is positioned in the upper left quadrant.

WHERE?

Where do I climb?

I climb on the climbing wall in KAILAS, and my coach teaches me. I climbed on it first time when I was four years old. I was very scared of it. But now, I think it's great fun!(*>_<*)

do I climb?

I took my friends to there (climbing room) on my eight-birthday-party. They like climbing! On last summer, I went to Yingxi to climb. The mountains are very tall, I was very scared of it, because there are many spider nets! I cried after I got down. After that I tried again, I finished it. I was very happy. Now, I think it is very fun!

The background is a light cream color with a subtle, fine-lined texture. It is decorated with delicate floral illustrations. In the corners, there are branches with green leaves and clusters of small, five-petaled flowers in shades of orange and pink. Scattered throughout the background are soft, out-of-focus circular bokeh spots in pale green and pink, creating a gentle, spring-like atmosphere.
