

THE BEACH

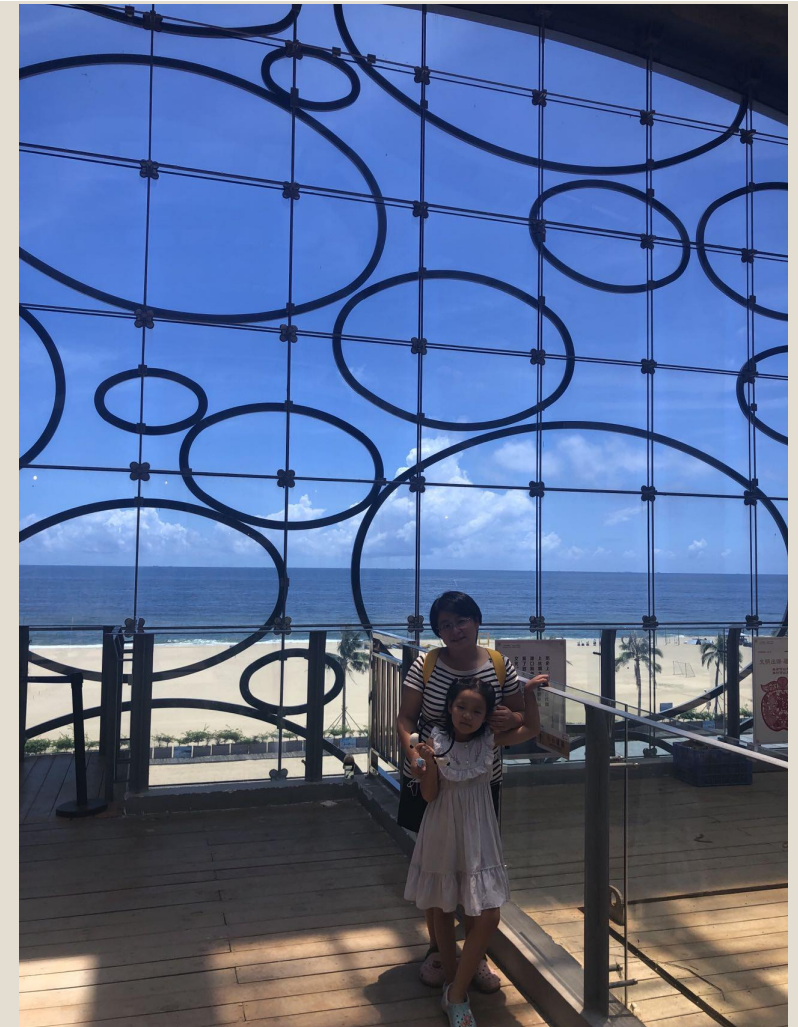

by Joy

◦ In summer, my father and mother take me to the beach in Yangjiang.

First, we go to the museum,
named “南海1号”,
there is a boat in it, and many chinaware.

◦ Then, we go to the beach!

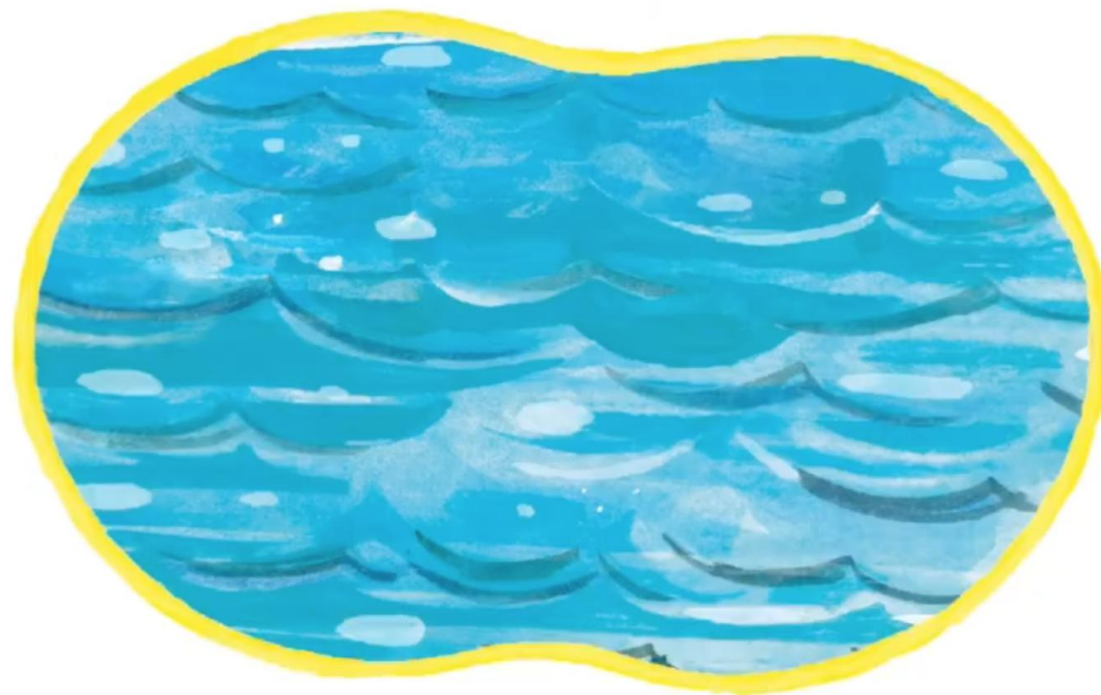

Look! We can see the seagulls.

Look! We can see the ice-cream van.

Look! We can see the sand.

Look! We can see the sea.

Look! We can see Mum and Dad.

What shall we do in the beach?

Of course!

Playing the sand and swimming!

◦ I make a sand castle
and cover my legs by sand.

swimming in the sea is very special!

because the water is so salty!

- In the night, I watch the firework in the beach.
- It is very beautiful.
- What a funny day in the beach!

The end!

Thank you!
