Look! We can see the seagulls.

Look! We can see the ice-cream van.

Look! We can see the sand.

Look! We can see Mum and Dad.

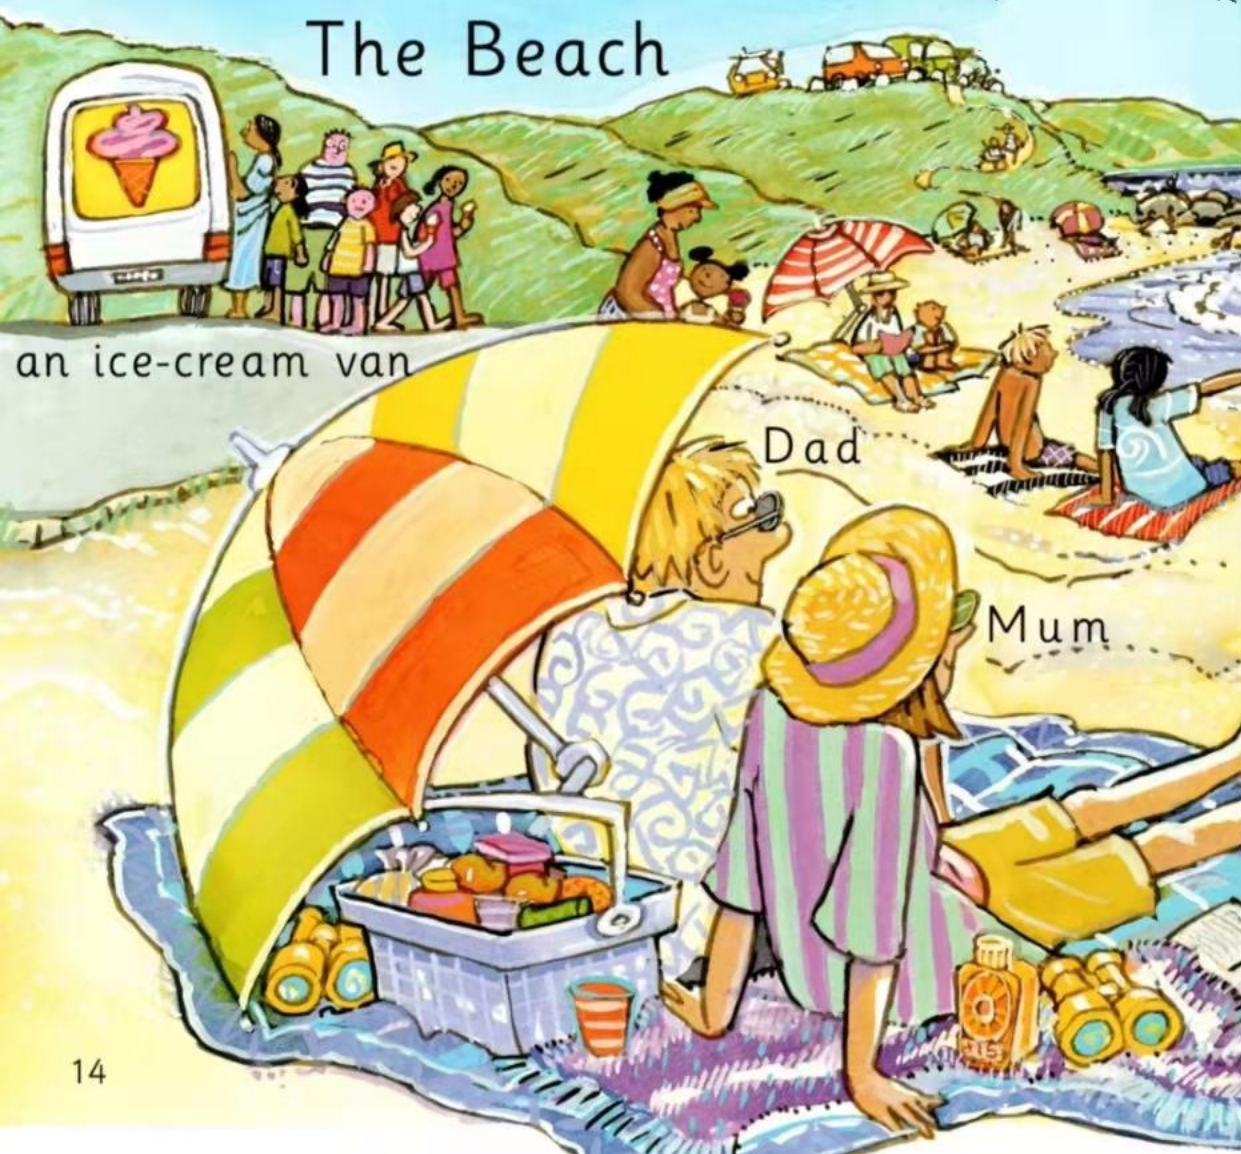

Look! We can see the beach.

I do have lots of
memories about
the beach.

Zhuhai

My sister and I were at the beach in Zhuhai.

Scotland

Dad and I were building a sand castle in Scotland .

Australia

My family were digging clams at the beach in Australia.

I love the beach.

Thank you!
