The main character is a boy named AJ. His school is very weird, and there are weird teachers and crazy things happened at his school.

It's not just one book, it's a series of books, I have already read 51 of them.

The principal of the school is Mr Klutz. Mr Klutz is nuts. He is bald. He loves skateboarding. He does crazy things.

One time, Mr Klutz let each class creat a Thanksgiving Display. If students finish the work, he will marry a turkey. But at last, he married a pig.
