

Hello, I am a bug. People often call me Yeast. I can make many things, like bread, cakes and I can make your body healthy. You can make me in some food or drink, like milk, yogurt or beer. When I go in to the bread, it will be delicious and ~~yum~~ yummy. People like me very much. I am the star in the bacteria.

Hello, I am a bug too. My name is too long so I don't want to say. I can make your tummy not funny. So I am a good bacteria. You can always eat me. When you do that, your body will be healthy. OK, see you next time. byby!

Bye-bye!
