

# My Chengdu Trip

Aug. 21 - Aug. 27, 2022

It is so exciting to take a late flight back to Chengdu together with my mom and my little brother-Jeffery.

The weather of Chengdu is hotter than Guangzhou, but we are very excited!

Jinli is a nice place to go for visitors  
and we can find lots of delicious snacks.

The must-go place should be Dujiangyan.

It is not far from Chengdu city and about 1 hour ride.

It helps us get away from the danger of flood with the wisdom of Chinese people.
