NO brushing teeth boy

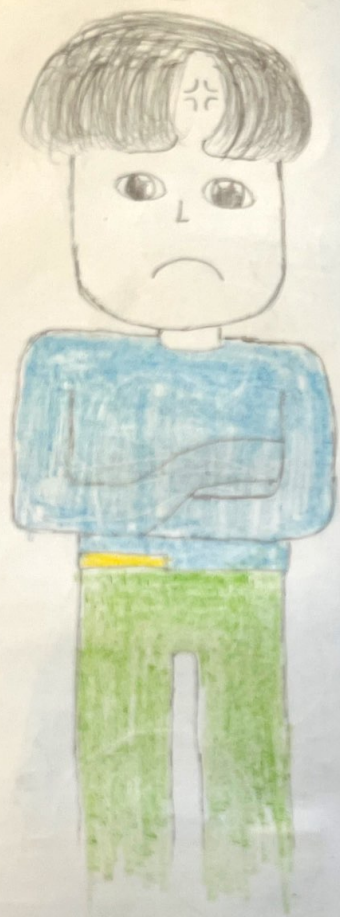

作：胡沁熙 / Nancy [中]

There is a little boy who
likes sweets very much.

There is a little boy
who likes
sweets very much.

So there are two small
tooth^worms in his teeth.

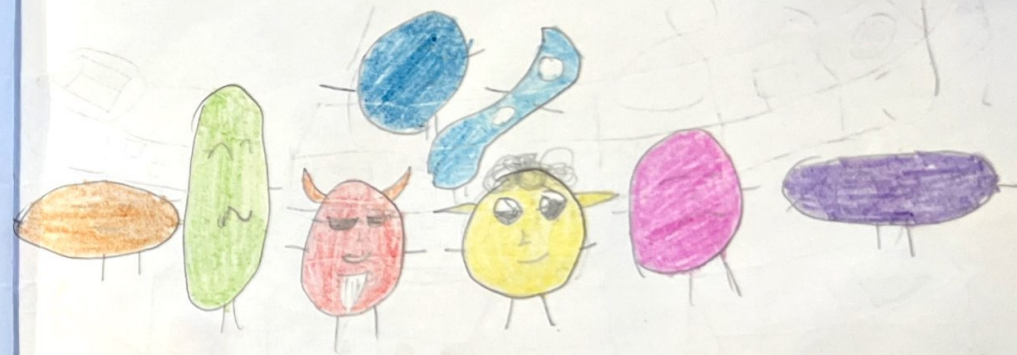

The two toothworms like
to live in his teeth.

Because the two toothworms
can eat a lot of delicious food every
day.

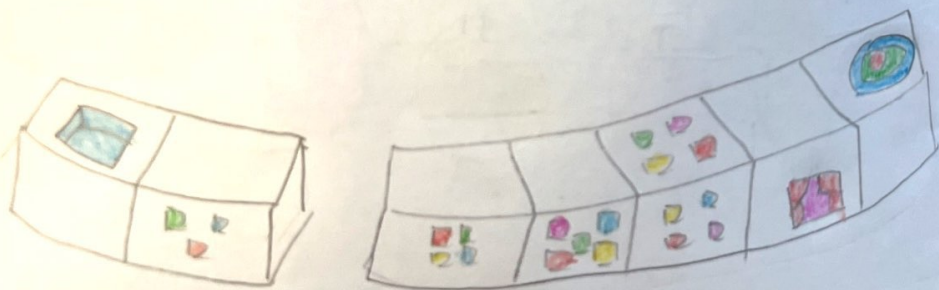

day by day, the little boy
grew up.

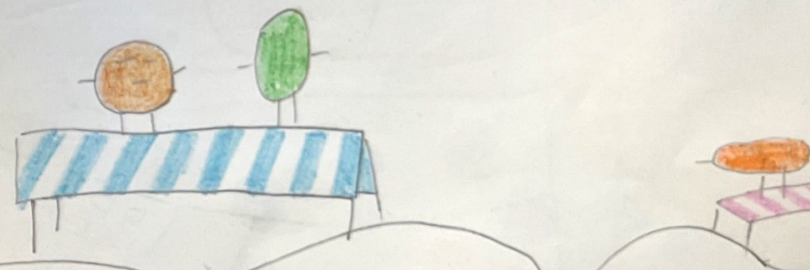

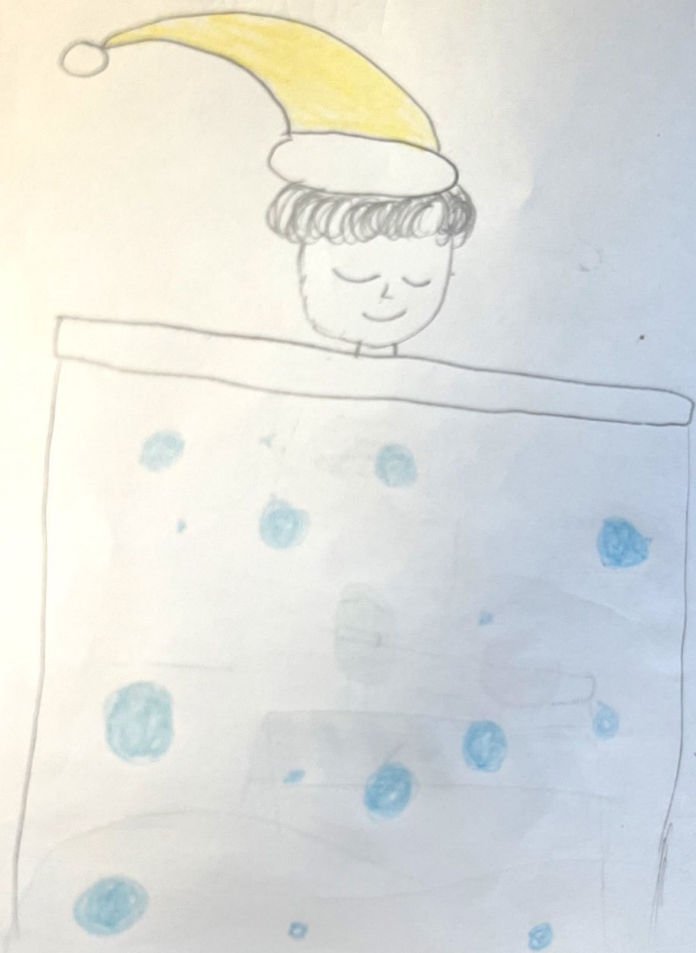

toothworms also have
offspring

The toothworms have filled
every tooth

One day, toothworms can
want to get together

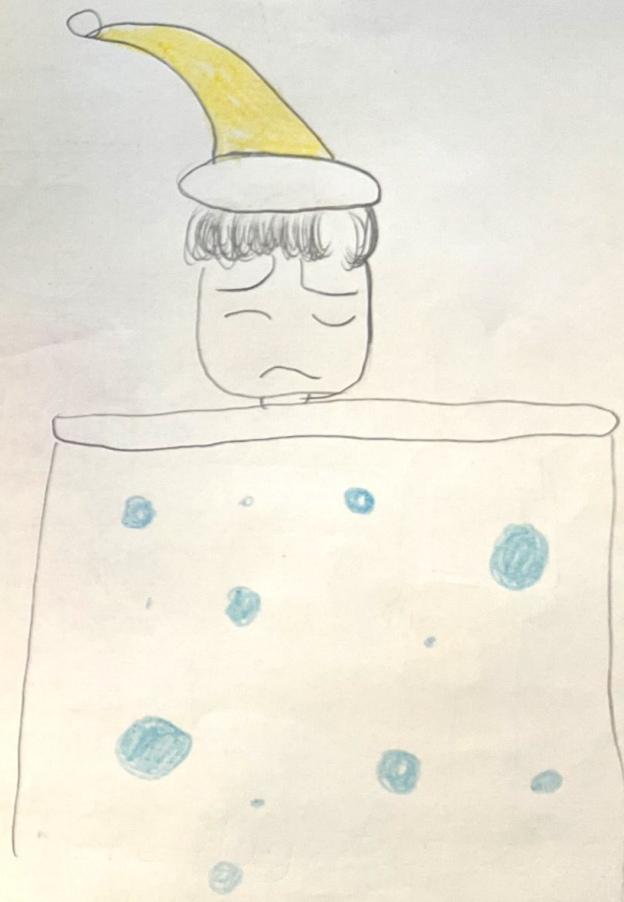

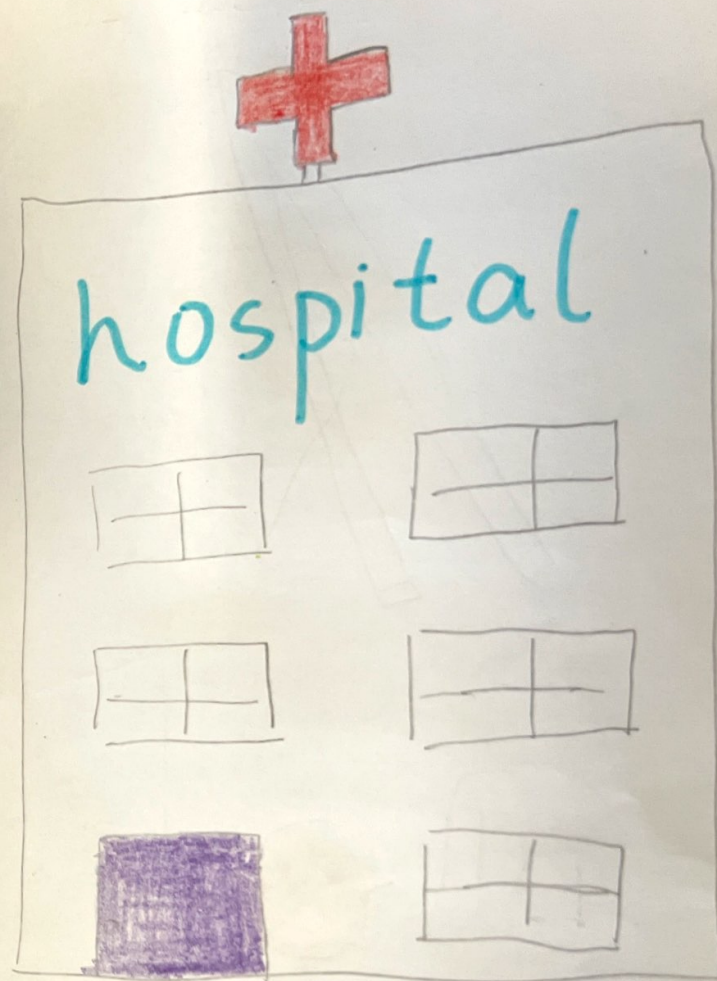

They started the party in
the boy's mouth while he was
sleeping.

funny! ^_~

So the boy didn't sleep
all night.

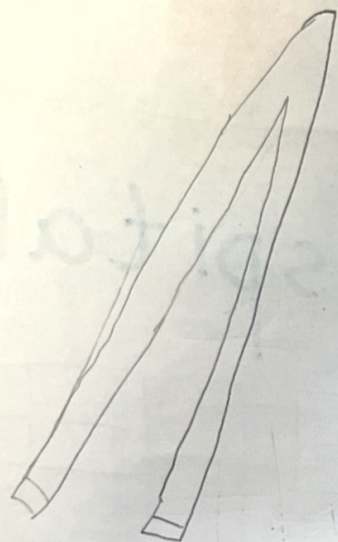

The next day, the boy got
up and asked his mother to take
her to the dentist
him

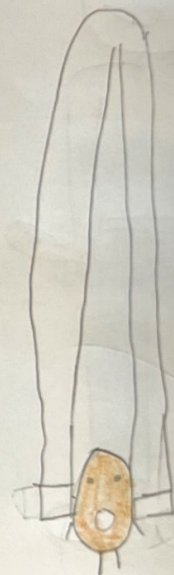

So his mother took his
to the hospital and find a him
doctor.

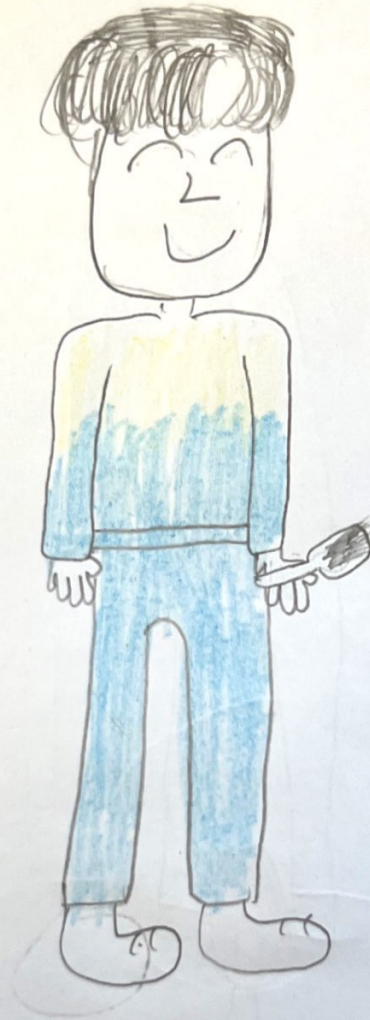

After a while, the toothhorms
saw a big tweezzer appear in front
of them.

The doctor can get the
gums out.

The doctor can get the

two new

From then on, boy would brush his teeth every day.
