

Reading Note

STANLEY – Syd Hoff

Stanley is no ordinary acaveman.

S
and

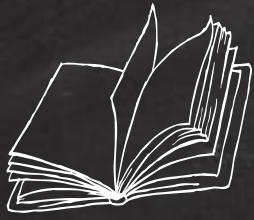

Stanley likes to plant seeds

and paint pictures. This makes the other cavemen so angry that

they chase him away. But Stanley just goes on being different, and as the others soon see, different isn't such a bad idea after all.

Summary

In this book, I like Stanley most, because he is kind, and teach the other cavemen how to be nice to each other and kind to animals. I learn from Stanley that we should insist on doing what we love to do!
